Dear AER members,

Following our Press Release of 22<sup>nd</sup> April 2002, we received many reactions concerning our article entitled "Nominations for the youth Convention". Several of you asked us what action they should take:

Above all, we would like to add the following specifications:

1) You can find the official documents on the Youth Convention on the web site of the European Convention on the Future of Europe:

<http://european-convention.eu.int>

Click on "Documents" and then on "Convention documents"

Or use the search function under the key term "Youth Convention".

2) For the names of the representative or representatives of your country, try the Convention web site and click on "Composition".

Should you have a question, we suggest that you contact the representatives of your countries on the European Convention on the Future of Europe. For contact details, try your national permanent representation in Brussels whose address is in the attached document or try your National Government or Ministry of European affairs.

For additional information, please contact:
